SERVICES	DESCRIPTION
Clerical re-check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks.
Review of marking	This is a review of the original marking to ensure that the mark scheme has been applied correctly. Reviewers will not re-mark the script, they will only act to correct any errors identified in the original marking. This service includes: the clerical re-checks detailed in Service 1, and a review of marking as described above.
Priority Service: Review of marking	This is the same service as Service 2, but the original marking is reviewed as a priority, therefore a request for this service must be submitted to the earlier deadline. <i>(This service is only available for GCE A-level and Level 3 qualifications)</i>
Access to Scripts (ATS)	This service provides copies of marked scripts to allow decisions to be made whether a review of marking or clerical re-check should be requested. These can also aid teaching and learning.
Priority Service: Access to Scripts (ATS)	This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.
