2025-2026

KEY STAFF INVOLVED IN CONTINGENCY PLAN

Role	Name(s)
Head of Centre	Stuart Worden
Senior Leaders	Louise Cooper Katie Findlater
Exams Officer	Charlotte Byrne

Purpose of the policy.

This purpose of this policy is to confirm that The BRIT School:

- has appropriate arrangements in place to maintain the security and integrity of the examination(s).

- follows the correct procedures when considering the arrangements for a candidate entered for multiple examinations timetabled for the same day.
- reserves the right to exercise discretion when considering allowing a candidate to take an examination the following morning

Overnight supervision arrangements

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers is:

- more than six hours for GCE examinations (AS, A2, A-level), including approved extra time allowances and/or supervised rest breaks.
- more than five and a half hours for GCSE examinations, including approved extra time allowances and/or supervised rest breaks.

Candidates may, at the centre's discretion, be allowed to take an examination scheduled for the afternoon session the following morning, including Saturdays. (ICE 8.1)

- These arrangements do not apply where a GCSE candidate has five and a half hours or less of examinations in one day or where a GCE AS or A-level candidate has six hours or less of examinations in one day (ICE 8.3).
- Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable (ICE 8.1).

Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted. The head of centre must be satisfied with the arrangements and must accept full responsibility for the security of the examination throughout. The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g. telephone, e-mail, internet and social media. It also extends to television and radio, which could report key details of the day's examinations.
